STATE READIES FOR FOURTH ROUND OF STANDARD SPEND DOWN

PHONE LINES WILL OPEN 6 P.M. CST FEB. 21

NASHVILLE – The TennCare Standard Spend Down program will again offer open enrollment opportunities to new applicants on Tuesday, Feb. 21, 2012 beginning at 6 p.m. CST.

Standard Spend Down is available through a waiver to the Medicaid program for a limited number of qualified low income individuals, or those with high, unpaid medical bills who are aged, blind, disabled, or the caretaker relative of a Medicaid eligible child. Eligible individuals must have enough unpaid medical bills to meet the “spend down” threshold to qualify for coverage.

“We are pleased to again to be able to open enrollment in the Standard Spend Down program,” said DHS Commissioner Raquel Hatter. “This program offers additional assistance to qualified low-income individuals or those with very high medical bills who are not already on TennCare.”

A special call-in phone line through DHS has been set up for interested applicants. The only way to request an application is by calling the toll-free number -- **1-866-358-3230** -- which will be open between 6:00 p.m. and 8:30 p.m. CST on Feb. 21. Operators will close the phone line once 2,500 applicants call in. In previous open enrollment periods, 2,500 calls had been taken within one hour. If 2,500 calls are not received on Feb. 21, the phone lines will be open from 6:00 p.m. to 8:30 p.m. on subsequent weekdays until 2,500 interested applicants call in.

Prospective applicants are encouraged to check eligibility qualifications before calling in. More information on the Standard Spend Down program and more detailed eligibility criteria are available on TennCare’s website: www.tn.gov/TennCare.

The toll-free number system is used to ensure equal access to Tennessee citizens interested in this program. The Tennessee Department of Human Services will send applications to all callers who are not already on TennCare and will review their eligibility for any open Medicaid categories and the newly opened Standard Spend Down category. Advanced notifications will be made to the public and other stakeholders prior to subsequent openings of the application request line.
